Headline:
Bright and sunny spells.

Today:
A dry and bright day with some mist and low cloud possible at first, although this perhaps more persistent and widespread across the islands. Feeling warm in any sunshine with light winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
Staying mainly dry with occasional clear spells. However, low cloud and mist is expected to become widespread near the west coast with a little drizzle over the hills. Minimum temperature 5 deg C (41 deg F).

Saturday:
Rather cloudy with extensive low cloud and mist at first with drizzle over the hills. The cloud lifting and skies brightening during the day. Patchy light rain in the evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Dry and bright on Sunday. Rather cloudy on Monday with a few showery bursts of rain pushing through on the fresh southwest winds. Rather cloudy by mainly dry on Tuesday.
